

1) CHOOSE ONE: WEBSITE

Package 1 • Simple Website: \$440

This includes a custom design and development of your website **INCLUDING** mobile responsiveness. The content can include a history of your business, a description of your services, and location and contact information like a phone number, email, and links to social medias.

Website Design: \$140

- 2-3 fonts, Color scheme, Stock photos

Website Dev. (desktop + mobile): \$300

Package 2 • eCommerce: \$590*

This includes everything in Package 1 plus a Shopify account setup. This is for businesses that want to sell products **directly** on their website. Once I have set up your Shopify account, **you** will be managing your account and orders on Shopify. The Shopify account costs \$9/month.

Web Design & Web Development: \$440

Shopify set up: \$150

*+\$9/month to Shopify to pay for account

2) CHOOSE ONE: HOSTING

In order to keep your website online, you need to pay a hosting service monthly. If you don't already have hosting set up from a previous website and don't want to set one up, I will host for you for a monthly rate. If you already have hosting set up or will set it up yourself, I will only charge a flat rate to transfer all the files.

Hosting set up and maintenance: \$20/month

Transfer files to pre-existing hosting service (recommended): \$25 one time

3) CHOOSE ONE: DOMAIN

Your website has to have a domain, like "imcamila.com". If you don't already have a domain and don't want to set one up, I can set one up for you for a monthly rate. If you already have one or are willing to buy one, I will only charge a flat rate to connect the domain to the hosting service.

Domain set up and maintenance: \$5/month

Connecting domain to the hosting service:
\$15 one time

4) ADD ONS: ANIMATION

Logo Animation: \$150

Icon Animation: \$50

Custom Animation: Ask me!

Once your website has been completed, any changes you'd like me to make must be submitted within a week of the site's completion. After this, a fee of \$100 will be charged for any further rounds of changes (excluding typos or bugs).
